To whom it may concern:

I am writing to certify that I saw the patient
at my clinic and evaluated him to have:

nummular dermatitis & id reaction

I would like to control the inflammation
and hypersensitivity reaction & prevent infection
through medical management & confinement
x 7 days. I advised follow up on Nov 11.

This is issued upon the request of the
patient and not to be used for medico-
legal purposes.

Thank you!
