

Sir Bap,

This is to request consideration to be allowed to take a leave on the dates indicated, as my siblings and I need to attend a hearing in Talavera, Nueva Ecija to represent our father, of which we were informed yesterday.

Our uncle's intended buying of the property was never finished due to disagreements, and he later passed away. Sadly, our father, who is his appointed representative, is no longer able to perform the duties that allow us the authority to represent him. We have been trying for nearly three years to transfer the legal responsibility to our uncle's partner because the property is supposedly for the family he left behind.

We hope that this hearing will already approve our motion.

Hoping for your consideration of this matter.

Thank you.

Jan Michelle Yap.
