## MORE POWER ADVISORY: Unscheduled Power Interruption

Date: November 4, 2025 (Tuesday)

Time Interrupted: 11:32 AM

Affected Areas:

Lapaz Substation

Cause: Due to weather conditions brought by the typhoon Tino.

Our teams are currently assessing the situation and stand ready to carry out restoration work once weather conditions improve. Safety remains our top priority for both our personnel and the public.

We ask for your understanding as we take the necessary precautions during this period. Please stay safe and follow our official channels for further updates.
